If you think you're missing anything, email us at mailroom@woodpeck.com.
You can also call us at 800-752-0725 from 9:00 a.m. to 5:00 p.m. EST Monday - Friday.

FENCE INSTALLATION

1. The ② Dust Collection Elbow and E-1 End Cap can be secured to either end of the ① Fence using the (4) E-6 Pan Head Torx Screws. **Figure 1.**
2. Push the E-3 Screw up through the bottom of the Fence.
Then assemble the E-5 Nylon Washer, E-4 Red Tube and the E-5 Nylon Washer onto the Screw (in that order) securing with the E-2 Knob. **Figure 2.**
3. The Fence installs to the track/table assembly with the E-3 Screw head lined up in the track slot. **Figure 3.**
